

About Us:

- / SECO/VACUUM, a SECO/WARWICK Group company, leads the heat treat industry with more new innovations than any other manufacturer, with an exclusive portfolio of all-vacuum technologies that are engineered to run clean and cool, operate more efficiently than legacy furnaces, produce cleaner parts, and reduce environmental impact by eliminating toxic emissions.

Summary of Responsibilities:

- / If hired to be a Field Service Technician at SECO/VACUUM Technologies, responsibilities will include installation, startup, maintenance, and repairing of our industrial vacuum heat-treating equipment located in North America. Our various equipment handles many processes such as carburizing, nitriding, die hardening, and oil quenching. Field Service Technicians have opportunity to visit the SECO/WARWICK facility located in Poland for testing and training on new equipment.

Qualifications Needed:

- / To qualify for the full-time Field Service Technician, the candidate would need a minimum of 2-year college degree in engineering or equivalent Military/Trade school training with little to some experience in field service installing and troubleshooting various heat-treating systems. The candidate must have a broad knowledge of mechanical and electrical systems, as well as be team-oriented, possess a positive attitude and be able to work in a fast-paced environment.

What We Offer:

- / We at SECO/VACUUM Technologies take pride in providing many valuable benefits to help employees and their families. Some of the competitive programs that we offer are Medical and Vision Insurance, free life insurance for the employee, long-and short-term disability, salary continuance, 401(k) with company match, profit sharing, and flexible spending accounts. We also offer a generous prorated vacation package at time of hire!

How to Apply:

- / Apply today at [Careers at SECO/VACUUM \(secovacusa.com\)](https://secovacusa.com) for more information on becoming a Field Service Technician or send your resume to lanie.bizzarro@secovacusa.com.

EEO Statement:

- / Equal Employment Opportunity has been, and will continue to be, a fundamental principle at SECO/VACUUM, where employment is based upon personal capabilities and qualifications without discrimination because of race, color, religion, sex, age, national origin, disability, or any other protected characteristic as established by law.
